Treasurer's report:

Beginning balance on 11/15/21   \$4343.15

Ending balance on 1/20/22       \$4603.63

All end of year reports have been filed.

So far we have one family and three individual memberships paid. We all need to pay dues for 2022. You need to be a member to be covered under the club's insurance.

The application is on our website under "About us". There is a link to the application.

Correspondence: Melinda Birt would like to only have to deal with one person for scheduling. Mary will be our main contact, but not for clinicians other members bring in.

Old Business:

10/29/21, 12/2/21, and 1/13/22 were reserved for the club driving times at Birts. There aren't any more openings this season.

Mary wants to have an activities meeting for the Beginners clinic to be held February 26 at Birts. Cost will be \$10 per person. The planning meeting will be February 8 and open to all.

March 26 is the next day we have reserved at Birts. There isn't a firm plan for what to do that day, but it will probably be a playday. Mary will be the contact person. Cost will be \$10 for members, \$15 for nonmembers and families.

April 23 and 24 will be the Bombproofing clinic at Birts with setup on April 22. We'll stop around noon on Sunday so we can take down that day.

Wendy is looking into places for an outdoor trail drive, possibly to be held near Bonneville point.

The next regular meeting will be March 3 at 7 p.m. online.

Valerie Ellis made a motion to adjourn at 7:55 p.m. Motion passed.
